Awards Committee

Montford Point Marine Association Inc.

Attention: Award Chairperson Kenny Crutcher

Mr. Crutcher,

It is with great joy that I recommend the below individuals for the noted awards;

Hall-of Fame Nomination

In accordance with the by-laws of the Montford Point Marine Association, **Aaron German** is enthusiastically recommended for inclusion into the Association Hall-of Fame. Aaron German has served as the Granville Alexander Chapter President for many years. During his tenure as Chapter President Mr. German established many community initiatives that will live beyond his years to include the Awarding of an Officer's Sword to the Outstanding ROTC at a local University. Where this Marine left is indelible mark was serving as our National Parliamentarian for the past three Administrations, a period that has spanned at least 11 years. Aaron was this singular expert on parliamentary procedures and Roberts Rules of Order. Most long time Spring Council and Convention attendees can recall when there was little order to our meetings. Aaron brought peace and calm to the chaos that was our National Meetings.

For six years under then President James and the four years of my administration, Aaron provided outstanding mentorship and guidance that allowed the National President to focus on the substance of the meetings instead of the procedures. Aaron never sought the limelight; he was perfectly content to support the Association from behind the scenes.

Aaron German is immensely qualified to stand by the greatest leaders of our illustrious association and hold his head high. It is without reservation that I recommend Aaron German to the Montford Point Hall-of-Fame.

Sincerely;

Joseph H. Geeter III
