## Obituary Announcement

The passing of a great pioneer

**Mr. Huge V. Browne II**  
(Corporal USMC)  
1925 - 2015

Sadly we lost another Montford Pointer yesterday (17 Dec 2015). Huge Victor Browne of Woodbury, NJ and a Philly Chapter member passed yesterday. Mr. Brown was an extremely proud Marine who often regaled the membership with his acute sense of humor and stories. I never recalled seeing him without his trademark Marine Cover and positive attitude. Marine Brown was the brother of the famous Hollywood actor [Roscoe Lee Browne](#).

Mr.. Browne attended our meetings when he could. He still loved to go to work until recently when his illness wouldn't allow it. Mr. Brown represented the Montford Pointers well in and around his hometown and was a fixture at Veterans events.

He will be missed by us all.
